FOR A LIMITED
TIME

KEY BENEFITS

Year-round comfort, built in

A smarter conservatory roof for
a more comfortable home.

Cooler in the summer

Helps reduce
heat build-up in
warmer weather.

Warmer in the winter

Helps the room
hold onto warmth
as temperatures
drop.

Greater energy efficiency

Lower heating
costs and a more
sustainable home.

Fast installation

Minimal
disruption so
you can enjoy it
sooner.

10-year warranty

Complete peace
of mind.

COMFORT THROUGH THE
SEASONS

Thermal performance comparison

Lower U-value = better insulation

Single glazing	5.2 U-value
Uncoated double glazing	2.7 U-value
Coated double glazing	1.2 U-value
EYG Thermo Panel Roof 32mm panel	0.6 U-value

Best
in class
performance
